PATEL SHWET MANOJBHAI

B.Tech. - Computer Science & Engineering

Ph: +91-9429112912

Email: patel.s.manojbhai@nuv.ac.in

Padra, Gujarat, India - 391440

LinkedIn: https://www.linkedin.com/in/shwetishere/

CAREER OBJECTIVE

I am a Computer Science Engineering student passionate about Artificial Intelligence, Machine Learning, and Agentic AI, with the goal of building intelligent systems that solve real-world problems. I have hands-on experience in Python, Java, OpenCV, YOLO, React Native, Flask, MySQL, and cloud technologies through projects, research, certifications, and hackathons. I continuously enhance my technical skills by exploring emerging AI technologies and developing scalable, AI-powered applications. My aspiration is to become an AI Engineer specializing in Computer Vision, Deep Learning, and Agentic AI while creating innovative and responsible AI solutions that deliver meaningful impact.

KEY EXPERTISE

Artificial Intelligence | Computer Vision | Python | Databases | Rest APIs

EDUCATION

Navrachana University 2023 - 2027

B.Tech. - Computer Science & Engineering | CGPA: **7.80** / **10**

Aditi Science School, Padra 2023

12th | GSEB | Percentage: **64** / **100**

Zen School, Padra 2021

10th | GSEB | Percentage: **87** / **100**

PROJECTS

Future-Face 03 Aug, 2026 - 31 Oct, 2026

Team Size: 1

Key Skills: Python | PyTorch | ResNet-50 | Yu-Net | Computer Vision

Project Link: https://github.com/ShwetIsHere/Future-Face

Developed an AI-powered age estimation and facial age transformation system that predicts age and generates future facial appearances.

Agentic Project Manager 02 Aug, 2026 - 30 Oct, 2026

Team Size: 1

Key Skills: Python | Langchain | Cloud Database | LLM | AI Agents | API

Project Link: https://github.com/ShwetIsHere/Project-Management-AI

Built a multi-agent AI project management system automating client communication, resource allocation, budgeting, scheduling, risk prediction, and quality assurance.

Triply 20 Aug, 2026 - 24 Aug, 2026

Team Size: 1

Key Skills: Python | API | PostgreSQL | Agentic AI

Project Link: https://travel.heyshwet.me/

Built an AI-powered travel planner using LangGraph and multi-agent architecture to automate flight/hotel discovery and personalized itinerary generation, with FastAPI, Groq, Gemini, PostgreSQL, Tavily, and AviationStack integrations.

QAir 12 Jul, 2025 - 21 May, 2026

Mentor: Prof. Gauravkumarsingh Gaharwar | **Team Size:** 3

Key Skills: React Native | API | Artificial Intelligence | Cloud Database | Mobile Application Development

Project Link: https://github.com/ShwetIsHere/QAir-Asthma

Built an IoT-enabled asthma management solution with a 3-member team, using ESP32, React Native, AI, and cloud services for inhaler monitoring, environmental analysis, and personalized health recommendations

AI Campus Surveillance System 04 Mar, 2026 - 17 May, 2026

Mentor: Prof. Yogesh Chaudhari, Prof. Rupali Sindhe, Prof. Jaideep Raulji | **Team Size:** 3

Key Skills: Python Kafka Spark Yolo MySQL MongoDB ReactJS

Project Link: https://github.com/ShwetIsHere/Studio

Developed a Python web application that detects weapons, knives, and fire from multiple camera streams using Kafka. Frames are processed in parallel with Spark, with structured data stored in MySQL and unstructured data in MongoDB. Fine-tuned the YOLO11n model for object detection.

SnackIt

02 Aug, 2025 - 01 Oct, 2025

Team Size: 3

Key Skills: React Native Mobile Application Development API Cloud Database

Project Link: https://github.com/ShwetIsHere/SnackIt-MobileApp-ReactNative

Developed a React Native mobile application that suggests recipes based on available ingredients, enabling users to prepare meals in less time.

CommUnity

02 Jun, 2025 - 05 Jul, 2025

Team Size: 1

Key Skills: React Native Cloud Database API Mobile Application Development

Project Link: https://github.com/ShwetIsHere/CommUnity-MobileApp-ReactNative

Developed a social media mobile application using React Native and Supabase with user authentication, post sharing (images/videos), reels, real-time chat, follow system, and personalized dashboards.

Clinic Management System

08 Jan, 2025 - 22 May, 2025

Team Size: 3

Key Skills: Java Servlet MySQL Bootstrap

Project Link: https://github.com/ShwetIsHere/Clinic-Management-System-Java-Servlet-MySQL

Collaborated in a 3-member team to develop a Clinic Management System using Java Servlets, JSP, and MySQL for managing patients, doctors, staff, appointments, payroll, and role-based dashboards.

Screen Share

04 Mar, 2025 - 18 Mar, 2025

Team Size: 1

Key Skills: Python

Project Link: https://github.com/ShwetIsHere/Screen-Share-Python

Developed a Python-based Remote Access Application with real-time screen sharing, file sharing, chat, and screen annotation using socket programming and CustomTkinter.

University Management System

18 Feb, 2025 - 02 Mar, 2025

Team Size: 1

Key Skills: Java Swing MySQL

Project Link: https://github.com/ShwetIsHere/University-Management-System-Java-Swing-MySQL

Developed a demo University Management System using Java Swing, JDBC, and MySQL to manage students, faculty, courses, attendance, and academic records through an interactive desktop application.

Bank Management System

02 Feb, 2025 - 17 Feb, 2025

Team Size: 1

Key Skills: Java Swing MySQL

Project Link: https://github.com/ShwetIsHere/Bank-Management-System-Java-Swing-MySQL

Developed a desktop Bank Management System using Java Swing for the GUI and MySQL (JDBC) for persistent storage, supporting multi-step customer registration and secure login.

ASSESSMENTS / CERTIFICATIONS

AWS Academy Graduate – Machine Learning Foundations

Provider: AWS Academy

Key Skills: Machine Learning Artificial Intelligence Data Analysis Data Processing AWS

Completed the AWS Academy Graduate – Machine Learning Foundations program (20 hours), gaining foundational knowledge of machine learning concepts, model development, evaluation, and AWS ML services.

AWS Academy Graduate – Data Engineering

Provider: AWS Academy

Key Skills: Data Engineering | Data Pipelines | AWS | Big Data | Data Analysis | Database Management

Completed the AWS Academy Graduate – Data Engineering program, gaining knowledge of data engineering, ETL pipelines, data warehousing, and AWS cloud-based data solutions.

AWS Academy Graduate – Cloud Foundations

Provider: AWS Academy

Key Skills: Cloud Computing | AWS | Networking | Cloud Deployment | Virtualization | Compute Services | Security

Completed the AWS Academy Graduate – Cloud Foundations program, gaining foundational knowledge of cloud computing, AWS infrastructure, cloud architecture, networking, storage, compute, and security.

AWS Academy Graduate - Generative AI Foundations

Provider: AWS Academy

Key Skills: Generative AI | Prompt Engineering

Earned the AWS Academy Graduate – Generative AI Foundations Training Badge, demonstrating foundational knowledge of Generative AI concepts, applications, and their role in modern cloud computing. This training helped build an understanding of Generative AI technologies.

SEMINARS / TRAININGS / WORKSHOPS

AI Tools Workshop **Institute Name:** be10x

31 May, 2026 - 31 May, 2026

Key Skills: Artificial Intelligence

Completed a 3-hour AI Tools Workshop by Be10X, covering ChatGPT, prompt engineering, AI-powered Excel automation, presentation generation, and document summarization.

Sustain X International Conference

30 Apr, 2026 - 02 May, 2026

Institute Name: Institute of Science and Technology For Advanced Studies and Research, CVM University

Key Skills: Artificial Intelligence

Participated in SustainX 2026, exploring responsible AI, ESG, digital governance, sustainable tourism, and social innovation for building resilient and inclusive communities.

CO-CURRICULAR ACTIVITIES

- Presented research at an international conference.
- Attended technical workshops, and seminars related to AI and emerging technologies.

EXTRA CURRICULAR ACTIVITIES

- Exploring emerging technologies and AI tools.
- Participating in coding hackathons.
- Creating personal software and AI projects.
- Maintaining a technical portfolio and GitHub repositories.

PERSONAL INTERESTS / HOBBIES

- Travelling
- Gaming
